

“I take responsibility for our safety, by following the **9 Golden Rules!**”

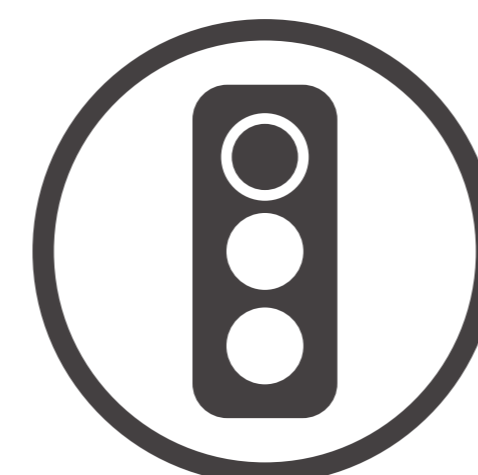

1. RISK CONTROL
I must never commence a task without proper preparation.
I must never improvise.

2. SIMULTANEOUS OPERATIONS
I must consider the activities of other people when preparing for and carrying out my task.

4. EQUIPMENT & MACHINERY
I must always use suitable, well-maintained and compliant equipment for which I am qualified.

3. STOP WORK AUTHORITY
I must exercise my right to withdraw and fulfil my duty to inform others if I observe or experience a serious threat.

5. WORKING AT HEIGHT
When working at height, I must always use my harness, except when collective protections are present and if I have received the appropriate authorisation.

9. PROTECTIVE EQUIPMENT
I must use protective equipment that is suited to my work.

8. SAFE WORK ENVIRONMENT
I must organise my work environment to ensure my health and safety is guaranteed in the short & long term.

7. HOUSEKEEPING
I must ensure that my workplace remains clean and tidy at all times.

6. TRAFFIC
I must comply with traffic rules both within and outside the site.

BEYOND ZERO A culture of safety
